2. Let me tell you what a hypocrite 'll do,  
'Way in the middle of the air;  
He'll talk 'bout me and he'll talk 'bout you,  
'Way in the middle of the air.
3. One of these days, about twelve o' clock,  
'Way in the middle of the air,  
This old world's goin' to reel and rock,  
'Way in the middle of the air.
