2. The one that she's been saving,  
The one that she's been saving,  
The one that she's been saving  
To make her featherbed.
3. She died last Friday,  
She died last Friday,  
She died last Friday  
Behind the old barnshed.
4. She left nine little goslins,  
She left nine little goslins,  
She left nine little goslins  
To scratch for their own bread.
